

Blue Hill to Sponsor Gartner Sourcing & Strategic Vendor Relationship Summit 2015

(NEW YORK, Oct. 8, 2015) Blue Hill Data Services, a Computer Technologies U.S.A. Company, is a proud Silver Sponsor of the Gartner Sourcing and Strategic Vendor Relationship Summit 2015. The theme of this year's summit, which is taking place on Nov. 3-5, 2015 at the Gaylord Texans Resort in Grapevine (Dallas), Texas, is "Conquering Complexity: Driving Business Value in the New Services Ecosystem." This annual conference delivers practical guidance on IT and business process sourcing strategies, service provider evaluation and selection, contract development, and vendor management.

Blue Hill Data Services' focus is to attain cost efficiencies and mitigate risk for customers seeking data center outsourcing and applications support. Attendees are invited to meet us at **Booth 209**, where key members of our team of IT experts will be available to share information about Blue Hill Data Services' capabilities and speak one-on-one with visitors seeking re-hosting and selective managed services solutions for their business.

"Blue Hill Data Services is thrilled to be sponsoring and exhibiting at Gartner Sourcing and Strategic Vendor Relationship Summit 2015," said Rosary De Filippis, Executive Director, Business Development and Chief Marketing Officer for Blue Hill Data Services. *"This definitive event for members of the IT services sourcing community gives us a unique opportunity to reach and meet with fellow IT industry experts and share our expansive capabilities and superior communications process that has earned Blue Hill Data Services a 100% customer satisfaction and client retention rate."*

Visit us at **Booth 209** to learn more about Blue Hill Data Services and receive a free premium (while supplies last).
