Blue Hill is a Proud Sponsor of CA World 2013: April 21-24th

Blue Hill Data Services is proud to be a sponsor at this year's CA World 2013 in Las Vegas.

Blue Hill has enjoyed a long standing relationship with CA Technologies, as well as a strong partnership which helps us jointly leverage capabilities for our customers.

Please join us at **Booth #601** at CA World 2013 to learn more about how we have helped customers mitigate risk, streamline their mainframe environment, and become more cost efficient.

About Blue Hill Data Services

Blue Hill helps clients reduce their operating costs and minimize risk by providing fully managed data center hosting solutions. Our world-class on-shore facilities, highly skilled and experienced staff, and reliable 24x7 services have supported clients worldwide and from all industries since 1994. We specialize in mainframe, open systems, and AS/400 iSeries managed hosting services, Dedicated Disaster Recovery and Business Continuity solutions, and Applications Support Services. Our differentiation is providing customized yet flexible SLAs and contracts and selective services as required. We are proud our client retention is 100%.
