

News Release

John M. Lalli, C.O.O. Recognized by Strathmore's Who's Who Worldwide Publication

January 8, 2015

Pearl River, NY, January 08, 2015 --([PR.com](#))-- John M. Lalli, C.O.O. of Pound Ridge, New York has been included in the Strathmore's Who's Who Worldwide Edition for his outstanding contributions and achievements in the field of Information Technology.

About John M. Lalli, C.O.O.

Mr. Lalli has over 30 years of experience in the information technology field. He is the Chief Operating Officer and Managing Director of Blue Hill Data Services and CAPS, which are global IT managed hosting and colocation services providers. They are headquartered in Pearl River, New York, with data centers in New York, New Jersey and Connecticut, and provide IT infrastructure support services.

Mr. Lalli has been on both the corporate and managed services sides of the information technology business. Previously, Mr. Lalli served as the Vice President and Chief Information Officer of CBS Inc. where he spent 31 years in a variety of positions at CBS corporate and divisional IT. He also served as the Executive Vice President of Business Development and Strategic Services for Infocrossing, Inc.

Mr. Lalli was invited to the White House as a subject matter expert consultant during the Carter Administration to join the "White House Committee on Technology". He received the American Management Association Philosophy of Education and Services Award and the DeSeversky Institute CBS School of Management Award for leadership. He was appointed Honorary Chairman and Speaker for the Blessed Sacrament High School Alumni Association and has been on the Board of Trustees and Executive Finance Committee for Meadowlands Hospital Medical Center, Liberty Health System since 2002.

Mr. Lalli has written articles in several trade journals. He is affiliated with the American Association of Blood Banks, Meadowlands Hospital and the Notre Dame Alumni Association. His accomplishments include significant P & L responsibility for sales and marketing, analysis, proposal development and delivery of services designed to develop cost effective managed hosting IT services to Fortune 1000 and mid-market companies. He developed and installed innovative, dedicated disaster recovery and shared services for all computing platforms enterprise -wide.

Mr. Lalli was born in Mt. Vernon, New York and obtained a B.A., Cum Laude, in Economics and Management Sciences from the University of Notre Dame and post-graduate studies in Computer Science at both the University of Notre Dame and Pace University. He is a decorated Vietnam Veteran serving in U.S. Army Intelligence. He is married and has five children. In his spare time he enjoys golf and family activities.
