Blue Hill Proudly Sponsors Maimonides Medical Center's National Nurses Week Celebration

NATIONAL NURSES WEEK

About National Nurses Week

National Nurses Week is celebrated annually from May 6, also known as **National Nurses Day**, through May 12, the birthday of Florence Nightingale, the founder of modern nursing..... The **theme** for **National Nurses Week 2019** is "4 million Reasons to Celebrate."

In 1993, the American Nurses Association declared May 6-12 as the national week to celebrate and elevate the nursing profession.

National Nurses Week is a time for everyone – individuals, employers, other health care professionals, community leaders, and nurses – to recognize the vast contributions and positive impact of *America's 4 million registered nurses.*

The week also helps to raise awareness about nursing as a career choice and also to educate the public about the kind of work available in the nursing profession.

The week celebrates the legacy of Florence Nightingale, a nurse who became famous for treating wounded soldiers during the Crimean war, and for her work in establishing nursing as a profession in its own right. Florence was affectionately known as 'The Lady With The Lamp'; she made a lot of her ward rounds at night whilst carrying a lamp. Florence Nightingale founded a nursing school in 1860, providing the first type of professional nursing establishment in the world.

Maimonides Medical Center matches all financial gifts to the Nurses Week Raffle event. Proceeds from the raffle benefit MMC's Residency Housing. MMC supplies a limited number of subsidized on campus housing in one of the many historic neighborhoods that are easily accessible to the medical center via subway or bus.

"We appreciate the opportunity to provide mission critical services to Maimonides Medical Center (MMC). Blue Hill is proud to stand with MMC and we are happy we can show our gratitude to not only the skilled nursing staff at Maimonides Medical Center, but all nurses worldwide."

About Maimonides Medical Center

Maimonides Medical Center is the largest hospital in Brooklyn. An independent teaching hospital, Maimonides is at the forefront of innovative medicine.

We are one of only 26 hospitals in the nation to achieve outstanding patient outcomes in all three categories measured by the Centers for Medicare and Medicaid Services: heart attack, heart failure and pneumonia. We are a “Top 10” hospital in all three categories.

Our Surgery Department has experts in all major surgical sub-specialties. Our Cardiac, Neuro, Thoracic, Urologic and Orthopedic divisions are recognized as among the best in the US.

Our fully-accredited Children’s Hospital provides all major subspecialties and includes a Pediatric ER, a Pediatric ICU and an advanced Neonatal ICU, with mortality rates significantly lower than the national average. More babies are delivered annually at Maimonides than at any other hospital in New York State.
