Blue Hill's COO John Lalli Joins NORTHEAST BUSINESS GROUP ON HEALTH's 24th Annual Tribute to Leadership Reception

John Lalli, Chief Operating Officer and Managing Director, Blue Hill Data Services/CAPS/XyberNET, along with Arthur Kurek, Business Development Executive for Blue Hill, were pleased to attend this year's 24th Annual Tribute to Leadership Reception for **NORTHEAST's BUSINESS GROUP ON HEALTH** (NEBGH) that was held in New York City on December 5, 2018.

Blue Hill's attendance and sponsorship of this event substantiates our commitment to support community organizations such as NEBGH whose mission is *"to empower members to drive excellence in health and achieve the highest value in healthcare delivery and the consumer experience"*.

"We were very pleased to once again support this wonderful organization, and we were so very pleased to see Claire Levitt receive the Outstanding Leadership in Workplace Health Award. We had worked with Claire for many years when she was the Executive Director of the Amalgamated National Health Fund, and was concurrently the President of Alicare Medical Management, an affiliate company of Amalgamated life Insurance Company that is an industry leader in delivering quality care management solutions. It was good to see her contributions recognized among her peers by such an illustrious group of individuals."
