

xyAdmin

Premium Administration System for Modal Premium Insurance Products

xyAdmin promotes operating efficiencies to help improve your bottom line. Clients benefit from **streamlined operations**, reductions in paperwork and personnel needs, and **enhanced customer service**. Additionally, the flexibility provides clients the opportunity to **pursue new markets aggressively**, without concern for system constraints. The xyAdmin tables in Datararray, our **SQL data warehouse** product, put even more reporting power at your fingertips. xyClaim / eSolutions can be utilized to provide complete claims processing.
